

SECTION IV

PREPARED FOODSTUFFS; BEVERAGES, SPIRITS AND VINEGAR;
TOBACCO AND MANUFACTURED TOBACCO SUBSTITUTES

NOTES

1. In this Section the term “pellets” means products which have been agglomerated either directly by compression or by the addition of a binder in a proportion not exceeding 3 % by weight.

2. In this Section the expression, “unit container” means a container, whether large or small (for example, tin, can, box, jar, bottle, bag or carton, drum, barrel or canister) designed to hold a predetermined quantity or number.

CHAPTER 16

*Preparations of meat, of fish or of crustaceans, molluscs
or other aquatic invertebrates*

NOTES

1. This Chapter does not cover meat, meat offal, fish, crustaceans, molluscs or other aquatic invertebrates, prepared or preserved by the processes specified in Chapter 2 or 3 or heading 0504.

2. Food preparations fall in this Chapter provided that they contain more than 20% by weight of sausage, meat, meat offal, blood, fish or crustaceans, molluscs or other aquatic invertebrates, or any combination thereof. In cases where the preparation contains two or more of the products mentioned above, it is classified in the heading of Chapter 16 corresponding to the component or components which predominate by weight. These provisions do not apply to the stuffed products of heading 1902 or to the preparations of heading 2103 or 2104.

3. In relation to products of this Chapter, labelling or relabelling of containers or repacking from bulk packs to retail packs or the adoption of any other treatment to render the product marketable to the consumer, shall amount to ‘manufacture’.

4. In this Chapter, “brand name” means a brand name, whether registered or not, that is to say, a name or a mark, such as a symbol, monogram, label, signature or invented words or any writing which is used in relation to a product, for the purpose of indicating, or so as to indicate, a connection in the course of trade between the product and some person using such name or mark with or without any indication of the identity of that person.

SUB-HEADING NOTES

1. For the purposes of sub-heading 1602 10, the expression “homogenised preparations” means preparations of meat, meat offal or blood, finely homogenised, put up for retail sale as infant food or for dietetic purposes, in containers of net weight content not exceeding 250 g. For the application of this definition no account is to be taken of small quantities of any ingredients which may have been added to the preparation for seasoning, preservation or other purposes. These preparations may contain a small quantity of visible pieces of meat or meat offal. This sub-heading takes precedence over all other sub-headings of heading 1602.

2. The fish and crustaceans specified in the sub-headings of heading 1604 or 1605 under their common names only, are of the same species as those mentioned in Chapter 3 under the

same name.
